VISITING SPECIALISTS

FROM THE
Cleveland Institute of Medi-
cine and Surgery,
Legally chartered and incor-
porated, Cleveland, Ohio, will
pay their first visit to

GUTHRIE,
OKLAHOMA.

And will be at the
ELKS HOTEL
Monday and Tuesday, July
29th and 30th.

Tell your sick friends. TWO
DAYS ONLY, 9 a. m. to 7:30
p. m.

FREE

This Institute, composed of a group
regularly graduated, physicians and sur-
geons, licensed, legally chartered and in-
corporated under the laws of the State
of Ohio, sends at its own expense these
eminent medical specialists in order to
introduce the newest methods and dis-
coveries in medicine and surgery such as
the system of treatment under X ray,
Violet ray, Finest ray, Hydrotherapy,
Etc., to give to those who call on the
above date, consultation, examination,
advice and all medicines required to com-
plete a cure, absolutely free. These spe-
cialists will diagnose your case and give
you the benefit of their skill and medi-
cal knowledge.

There is in this case no experimenting
or guess work at your expense. You will
be told whether you can be cured or not.
If your case is curable they will put you
under treatment immediately; if incurable
they will give you such advice as may
prolong your life. Their treatment always
gives quick relief and ultimately positive
cures. Being prepared to cope with
each individual case the human system is
thoroughly cleansed of the disease, in a
natural and direct manner and im-
provement is noticed at once; even the
worst cases are treated without any in-
convenience to the patient or the pursu-
ing of his or her daily vocation.

If you are improving under your family
physician, do not come and take up their
valuable time as they absolutely refuse
to treat any one who is under the care
of the local physician. They wish be-
sides to give each patient plenty of time
and their undivided attention but can
not listen to long stories not pertaining
to your trouble. They have discarded the
old methods and remedies used for ages
by the medical world, and which it
would be folly to depend upon any longer,
for they are not known to cure, as
thousands die, depending on them for re-
lief. The following list of diseases only
are taken under treatment, to-wit: Dis-
eases of the Nervous System, Heart, Stomach,
Lungs, Kidneys, Catarrh, (purulent
or dry), Consumption, Epilepsy, Deaf-
ness, Diseases of Women, Tumors,
Pseudo Cancer, Piles, of a Chronic Nature
only. They treat Deafness by an
entirely new method, and hearing in
many cases is restored at once. Catarrh
in all its varied forms, like other diseases
if once taken under treatment, are cured
permanently to remain so and to never
return. It matters not whom you have
seen, or with whom treated, do not fail
to call, as a visit will cost you nothing,
and may restore you to health, or even
save or prolong your life, as thousands
of persons will testify by unassailable
testimonials in all parts of the country.
If you suspect Kidney Trouble bring a
true ounce bottle of your Urine for chem-
ical and microscopical analysis.

REMEMBER—The free offer is during
this visit only, and will not be repeated.
Persons commencing treatment upon
their future visits, will be required to
pay, but not one cent will be asked from
those commencing treatment during
this visit for any medicine necessary to
effect a cure; irrespective of your posi-
tion in life, or the number of those who
come on above date. Whenever, or by
whom wanted, a positive guarantee to
cure will be given under their system of
treatment. Those having long standing
and complicated diseases who have failed
to get well and become discouraged, are
particularly invited to call.

NOTICE—Married ladies, without
their HUSBANDS, and minors without
their FATHERS, will positively not be
admitted to consultation, unless accom-
panied by one of their local physicians.

Office Hours: 9 A. M. to 3 P. M.
Don't forget the date—Monday
and Tuesday, July 29th and
30th—two days only.

FEELS GOOD TOWARD CITY

GOVERNOR-ELECT HAS
KELL DESIRES TO LIVE
IN GUTHRIE

ABLE ADDRESS
TO HASKELL CLUB

Democrats Entertained With
Good Talks From Haskell
and Murray.

The list of the Haskell Democratic
club is rapidly growing. More than
400 Democrats of the city and county
have signed the roll of membership
and the club promises to be a vital
factor looking toward the ratification
of the constitution and the election of
C. N. Haskell governor. The meeting
held Monday evening did much to pro-
mote harmony and aggressiveness in
Democratic ranks. Galen Crow pre-
sided with dignity and eclat and was
ably assisted by J. Frank Laux as
secretary. The rules and by-laws of
the club were read and adopted and
membership lists opened to all per-
sons who intend to vote for the con-
stitution. After the completion of the
regular business, L. G. Niblack was
called on to address the club. He
said statehood can come only through
the Democratic party, and that the
constitution drafted for the proposed
state could be cheerfully supported by
all voters of whatever party affiliation
who believed in placing state govern-
ment close to the people. He told of
the law suit campaign and the obsta-
cles placed in the path of statehood
adherents by the Republicans. He
urged organization in town and pre-
cinct and averred that with harmony
in Democratic ranks, relegating of
factionalism, and a united stand of
the masses against "the interests" that
the constitution and the state ticket
would sweep the state by a majority
of 80,000. Governor-elect Haskell en-
tered as Mr. Niblack finished, and was
given an ovation. He was introduced
by President Crow and entertained
the audience for an hour and a half
with a convincing talk on the consti-
tution, the trusts and corporate in-
terests. He detailed interestingly the
Harriman maze by which the railroad
stock markets were manipulated. His
dissertation on the trusts and railroad
rate discrimination was especially
vigorous. Mr. Haskell was in happy
mood. "I am in a quandary now," said
he; "I don't know whether to start my
daughter in school at Muskogee Sep-
tember 1 or wait a month later and
place her in the Guthrie schools. I feel
quite certain that after September 17,
my roosters will lie down with their
feet in the air waiting to be tied for
shipment to Guthrie." He spoke in
highly complimentary terms of the
capital city. "I want to be among
you," said Haskell. When I come to
Guthrie you may depend upon it. I
will be as enthusiastic as Guthrie's
interests as I am now for those of
Muskogee." President W. H. Murray
followed Mr. Haskell. He referred
pleasantly to the nicknames applied to
him by the "pie pumps." "Such criti-
cism is it retarding the onward march
of statehood," said Alfalfa Bill. "The
Republicans are going to receive a
jar; a good healthy one—they know
such a jar is due, hence their strug-
gles for to get from under." The
speaker concluded: "But we cannot
win Democratic victories with divided
Democrats. In several counties Dem-
ocrats have factions, but they are
rapidly uniting. If you have factions,
and I hope not in Logan county, heal
them quick. This is not the time to
tolerate kicking and knocking. If you
have fellows here, whether in or out of
office, who seek to promote discord,
discipline them and do it quickly. Ev-
erybody should line up that we may
soon enjoy the happy day when Okla-
homa is freed from Republican mis-
rule and carping. Mr. Murray
was enthusiastically cheered. The
meeting dispersed with a resolve from
each member that he would endeavor
to increase the membership of the club.

The Democratic administration of

they would not give the negroes the

We heard a clown say in the fall of

We have come to the rescue of our

Among the important facts develop-
ed during the day were:
The discovery that the embalming
fluid used in Pet Magill's body does
not contain arsenic.

The fact that there were no bruises
on the dead woman's body.

The circumstances that the arrange-

It was also found that two years
after they had been left \$8,000, Mag-

finances that he was compelled to
earn his living by driving a brewery
wagon.

The state during the day made pub-
lic the fact that two of Magill's uncles
and his cousin had committed suicide,
and that his grandfather did a
maniac.
